

CT Judicial Branch Database Servers to be Updated; Several Applications to be Unavailable Over Part of the Jan. 11-12 Weekend

Several applications on the Judicial Branch’s website will be unavailable from Saturday, Jan. 11, at 6 a.m. through Sunday, Jan. 12, at approximately 8:30 a.m., so that the Branch’s database servers may be updated.

Affected applications are: case lookup and legal notices; web forms; the Supreme and Appellate courts webpages; the judges’ mail and phone directory; the attorney firm inquiry webpage; State Grievance Committee decisions; Supreme Court oral arguments audio; the Law Library News Log; Human Resources online and external job postings; the intern portal; Calendar Call podcasts; E-Services and E-filing; and E-Services for the Department of Motor Vehicles.

The Sexual Assault Forensic Examiners (SAFE) Hospital and Nurse application also is affected. However, this application will be brought back online Saturday afternoon.
