

DOCKET NO.: NNH-FA21-5049728-S : SUPERIOR COURT  
NICOLE J. MARTONE : JUDICIAL DISTRICT OF NEW HAVEN  
V. : AT NEW HAVEN  
ERIC A. MARTONE : MAY 1, 2024

**MEMORANDUM OF DECISION**

A hearing was held April 10, 2024 regarding Applicant's Motion #134 for Order to Seal Divorce Decree and Financial Affidavits in accordance with Connecticut Practice Book § 25-59A. Both parties appeared.

The court took judicial notice of the fact that the public was given notice of this hearing and was afforded the opportunity to be heard on the motion under consideration in accordance with the law.

Based on the court's review of the instant motion, the testimony of the parties, the court file and all relevant cases, statutes and rules of practice, this court finds that there are no interests in these proceedings that overrides the public's interest in reviewing this file. The court notes that the automatic sealing of sworn Financial Statements terminates when any hearing is held at which financial issues are in dispute which was the situation in this hearing. Accordingly, the Applicant's Motion #134 for Order to Seal Divorce Decree and Financial Affidavits is denied.

However, as an accommodation to the applicant, the Memorandum of Decision dated June 28, 2022 will be resubmitted to the Commission on Official Legal Publications without the Financial Affidavits attached with a request that it replace the one on file.
