

RESUMPTION OF VOLUNTEER ATTORNEY PROGRAMS

The Civil and Family Volunteer Attorney Programs will resume in September 2021.

Individuals, who are not already represented by an attorney, can discuss their questions and concerns in the areas of Foreclosure, Small Claims, Contract Collections, and Family Law with a volunteer attorney by coming to the courthouse to use one of the Branch's "Remote Rooms".

Each of the Branch's "Remote Rooms" has equipment that will connect you by video with a volunteer attorney who will meet with you.

Individuals interested in meeting with a volunteer attorney will be seen on a first come, first served basis.

Volunteer Attorney Program Schedules will be posted in clerk's offices, Court Service Centers, and law libraries in courthouses throughout the state and on the Judicial Branch website at https://jud.ct.gov/volunteer_atty_prgm.htm.
