

File a System-Populated Document Electronically (All Cases)

If you are the person who filed a new civil, family, housing or small claims case electronically with the Superior Court/small claims session (plaintiff), you will have electronic (on-line) access to the case right away. If you are the plaintiff in any existing e-filable case or if you are filing a new case on paper, or if you are the person who is being sued (defendant), you must ask the Clerk to give you electronic access to the case. (See the section in this manual on requesting electronic access.) Once you have electronic access to the case, you can file your document on-line. If you don't have electronic access to your case, you can only file your document on paper with the clerk of the court where your case is located.

Note: You can find a list of the types of cases on which you can and cannot file on-line in the revised [Procedures and Technical Standards for E-Services](#). If the case is an existing case, you can also check the docket number to know if the case is e-filable (paperless). If the number that follows the year is a 5 or a 6, the case is e-filable (paperless). For example, FBT CV 16 6051245 or HHD FA 15 5061789 are paperless.

A system-populated form is filled out by the e-filing system using information that is already in the e-filing system. You give some additional information and then the system shows you the completed form to look over before you e-file it. E-filing has six system-populated forms: appearances, certificate of closed pleadings, jury claim, motion for continuance, reclaim, and withdrawal of all kinds, except withdrawal of appearance.

Here is a checklist of what you must do to file a system-populated document electronically.

To file a system-populated document on-line in a case, you must:

1. Enroll in E-Services to set up a User ID and password if you have not already enrolled
2. Log in to E-Services with your User ID and password to request electronic access if you do not already have electronic access to your case
3. Be approved for electronic access by the clerk of the court
4. Log in to E-Services with your User ID and password
5. Go to **Superior Court E-Filing**
6. Go to the main page (case detail page) for your case
7. Choose **E-file a Pleading or Motion** as your desired case activity
8. Select the name for the motion you are filing
9. Enter the information that the e-filing system asks for
10. Certify that you have delivered a copy of the motion to all other self-represented parties and attorneys of record
11. Sign your motion and certification by entering your User ID
12. Print the confirmation page that shows what you filed with the court
13. Send a copy of the motion to all other self-represented parties and attorneys of record

If you are in the middle of filing something and the system logs you out, you will lose any information you have entered, and you will have to start your filing from the beginning.

12. You will now see the Select Pleading/Motion/Other page.

Note: This page allows you to choose the name for the pleading, motion or document that you are filing. You must choose the correct name because the name that you choose will make the document you file go to the file, as well as be placed on the short calendar or not, depending on whether it is a motion or pleading that should go on a short calendar. The name also tells other people, including the Judge, other self-represented parties and attorneys in your case, what you are filing. It is very important that you name your document correctly when you create it and it is also very important that you choose the correct name for your document on this page. In this example, the document being filed is a system-populated form.
