**Affidavit and Application for Take Into Custody Order**

The person signing this application affirms and says the following about the above named child and requests that the court issue a Take Into Custody Order and the child be taken into custody and placed in a Juvenile Detention Center.

**I. Violation of Delinquency Court Order/Probation**

- The child is the subject of a pending Delinquency Petition/Information, is subject to a suspended Order of Detention and has violated the conditions of the order.
- The child was placed on probation on: \_\_\_\_\_ and has violated the conditions of the probation supervision or probation supervision with residential placement and failed to respond to the court process including graduated sanctions.
- The child is the subject of a pending Delinquency Petition/Information, is subject to a valid court order, and has violated the conditions of the order and failed to respond to the court process including graduated sanctions.
- The child was placed on probation supervision or probation supervision with residential placement on: \_\_\_\_\_ and has absconded, escaped, or run away from a residential facility in which such child has been placed by the court.

**II. Delinquency - Failure to Appear**

- The child was served in hand with a Juvenile Summons and Complaint by a police officer.
- The child was served in hand with a Summons relative to a pending delinquency case.
- The child was ordered by the court on \_\_\_\_\_ to come to court on \_\_\_\_\_ for a ("X" one)
  - court hearing
  - other (specify) \_\_\_\_\_
 and said child did not come to court as ordered.

**III. The ground(s) for detention indicated below are applicable:**

- A. There is probable cause to believe that the level of risk the child poses to public safety if released to the community prior to the court hearing or disposition cannot be managed in a less restrictive setting.
- B. There is a need to hold the child to ensure the child's appearance before the court or compliance with court process, as demonstrated by the child's previous failure to respond to the court process.
- C. There is a need to hold the child for another jurisdiction.

Believing that there is no appropriate less restrictive alternative available and that the child should be immediately taken into custody and placed in detention, I make this affidavit voluntarily and affirm that it is true to the best of my knowledge and belief.
