- Requisition issued through the Interstate Compact For Juveniles;

Finding

I have reviewed this Application, affidavit(s) and other supporting documents and find that there is probable cause to believe that the child has unlawfully left the child's home state or lawful place of abode in violation of the laws of the child's home state or the orders of the court in the child's case, that there is a need to hold the child for the child's return to the child's home state, that there is no less restrictive alternative available and that it is in the child's best interests to be taken into custody and presented before a judge of the Superior Court Juvenile Matters for further proceedings on the request to return the child to the child's home state. I also find that the State of _____ will be responsible for the reasonable expenses relating to the child's return to that state.
